Prairie and Preston Aves.

Opium, Morphine, Alcohol.

Dr. Boxell, My dear Sir, I used opium for five years and suffered untold suffering and humiliations. In the year 1885 I got into old friends in Houston, who sent for me and took me to you for treatment. The cure was slow and in a short time I was a completely changed man, free from opium. We can not express my happiness and gratitude to you for this great service. Your name is known throughout the world. Knows of my condition and cure, and I am not only within the circle of your friends, but also among the enemies of Houston. Knows of my name and address of those who suffer me, did, that I may verify this.

Dr. Boxell, I am grateful to you for the Alcohol, Morphine, Opium, Cocaine, and Tobacco Habits is the quietest, easiest and best method known, is entirely different in every case or money refunded.

Dr. Wm. A. Boxell, Specialist,

Diseases of Women, Nervous Diseases, Chronic Diseases.

Chronic Diseases of the Eye, Ear, Nose, Throat, Joints, Heart, Stomach, Liver, Bowels, Kidneys, Bladder, Blood and Guts, Skillfully Treated.

Impaired Health, Male or Female, with expert ability.

Consumption, Bright's Disease, Rheumatism, Neuralgia, Convulsions, Paroxysms, Epilepsy, Scrofula, Syphilis, Stricture and other chronic Diseases.

Dr. Boxell has had four years of a very large and successful practice in this city and State extending into several other States. He has treated men of science, business men, and others who were considered hopeless.

Write for Home Treatment according case, carefully, and enclosing stamp.

All medicine furnished from the Doctor's own laboratory.

Call on or address Dr. Wm. A. Boxell, Specialist, Mason Block, Houston, Texas. Office hours, 3 to 12, 2 to 5 and 7 to 8.

PRESNALL & SAUNDERS,

LIVE STOCK COMMISSION MERCHANTS,

For sale of live stock of all kinds. All stock unloaded in our pens direct from car.

Telephone 206, P. O. Box 201, Houston, Texas.

BIRTHDAY PARTY.

A Very Enjoyable Affair at Bray's Bayou.

A very enjoyable dance was given at the residence of Mr. George Kuhlmann on Bray's bayou on Monday, March 29. It was given in honor of the 21st birthday of his charming daughter, Emilia, and was intended as a surprise, but when the bugle call sounded the advance of the gathering, they found the flash lights placed and the guns manned, ready to receive them. But after a short parley the jolly commander of the fort was persuaded to surrender and peaceful possession was taken. The waltz and the many friends of Miss Emilia soon located the place where the light fairies should be indulged and they were not long in assuming full control. Dancing was now the order of the evening and so continued until near the first hour of the new day. Then came the call to refreshments, the bounty and splendor of which made the sick to hunger and the tired to revive. The table fairly groaned under the weight of cakes, and Mrs. Kuhlmann's good coffee opened the eyes of the sleepy elders and perked the younger ones up to greater feats. After a few hours of further enjoyment the many friends departed, wishing Miss Emilia many returns of the happy event.

And the guests present were: Mr. and Mrs. Edward Rainey, Mr. and Mrs. Harry Toffly, Mr. and Mrs. Charles Moehring, Mr. and Mrs. George Rainey, Mr. and Mrs. John F. Rizner, Fowler & McVittie, Mr. and Mrs. J. N. Sawyer & Co., Mr. Governor Thompson, Liverpool.

CLEARED.

TIRESSES.

Their construction and weak points.

What should be the proper quantity of meal to the heater?

Result of deep and shallow cooking on meal and oil.

Effect of high and low pressure in cooking and the effect on oil and meal.

Meat, natural and artificial.

If moisture is applied, the best method of moisture on meal, oil and cake.

HEATING AND COOKING.

Best material for construction, design preferred for stoves and speed.

Size of heaters preferred and why.

What should be the proper quantity of meal to the heater?

Result of deep and shallow cooking on meal and oil.

Effect of high and low pressure in cooking and the effect on oil and meal.

Meat, natural and artificial.

If moisture is applied, the best method of moisture on meal, oil and cake.

Most economical weight of cake.

Articulators, their use and benefits.

What should be the cost of labor per ton to crush?

THE TEMPERANCE CAUSE.

To Be Eloquently Expounded by Miss Belle Kearney.

Miss Belle Kearney, a National organizer and lecturer of the Woman's Christian Temperance Union, will speak upon "The moral reforms of the day" at some place in the city on next Thursday night, April 8. It is not of frequent occurrence that the citizens of Houston are given an opportunity to hear a woman of such refined talent. This organization of Christian temperance women has frequently brought to this city prominent lecturers of both sexes, and they only ask that the house may be filled with attentive listeners. No charge has ever been made. They rely on a collection to defray expenses.

Every one interested in the moral uplift of the community should be present. Miss Kearney is Southern born and a graduate of the daughter of a Southern belle, and she is a regular organizer.
